PERSONAL INFORMATION

- Name : **Phạm Hoàng Uyên**
- Gender : Female
- Date of birth : 03/03/1976
- Place of birth : Ho Chi Minh City
- Citizenship : VietNam
- ID/passport number :023031247
- Academic title :PhD
- Affiliation : University of Economics and Law, VNU – HCMC.
- Address :243/2/11 Chu Văn An Street, Ward 12, Bình Thạnh District, HCMC
- Phone number : 0908414092
- E-mail : phuyen@hcmus.edu.vn
- Personal website :

EDUCATION

- | | |
|--|-----------|
| Ph.D in Mathematics
New Mexico State University | May, 2010 |
| Dissertation: <i>Contributions to Statistical Analysis of Financial Risks</i>
Advisor: Professor Hung T. Nguyen | |
| Master in Mathematics/Statistics
New Mexico State University | Dec, 2006 |
| Master in Mathematics
University of Science, Vietnam National University – Ho Chi Minh City | May, 2003 |
| Bachelor in Mathematics
University of Science, Vietnam National University – Ho Chi Minh City | May, 1999 |
-

PROFESSIONAL EXPERIENCE

4/2013 – now	Deputy Head of the Department of Economic Mathematics, UEL – VNU
10/2012 – 4/2013	Lecturer, UEL – VNU
9/2011– 9/2012	Lecturer, University of Science – VNU
1/2011 – 6/2011	Adjunct Assistant Professor, University of Notre Dame, US.
8/2010 – 12/2011	Temporary Assistant Professor, Central Michigan University, US.

DIPLOMAS

English	TOEFL 553			
	Speaking	Listening	Reading	Writing
	Fair	Fair	Fluent	Fluent

COURSES TAUGHT

University of Economics and Law

- Probability and Statistics
- Higher Mathematics
- Stochastic Process

University of Science

- Calculus 1 (Advanced Program in Computer Science _ APCS)
- Calculus 2 (Advanced Program in Computer Science)
- Calculus 2 (Faculty of Math and Computer Science)
- Applied Statistics for Engineers and Scientists (APCS)
- Statistic for Social Science (International Training and Education Center _ ITEC)

Department of Applied and Computational Mathematics and Statistics, University of Notre Dame

- Probability and Statistics for Life Sciences (ACMS 20340)
-

Phạm Hoàng Uyên - 10/2014

Department of Mathematics, Central Michigan University

- Pre-Calculus Mathematics (MTH 130)
- Intermediate Algebra (MTH 105)

Department of Mathematical Sciences, New Mexico State University

- Statistics for Business and Behavioral Sciences (Stat 251)
- Calculus 2 (Math 192, Math 192L)
- Calculus for the Biological and Management Sciences I (Math142G)

Van Lang Private University, Vietnam

- Numerical Analysis

RESEARCH INTERESTS

- **Topic 1: Financial Risk Estimation.**

- **Topic 2: Relation between Utility and Risk's attitude through distortion functions.**

PUBLICATIONS

- Dinh, T.N., Pham, Q. H., **Pham, U. H.**, Tran, L. T. **Regularization Of A Class Of Convolutional Equations By The Method Of Truncated Integration**, *Journal of Science and Technology Development*, VietNam, 2002.
- Nguyen, H.T., **Pham, U.H.**, Tran, H.D. **On some claims related to Choquet integral risk measures**, *Annals of Operation Research*, 2011.
- Dang Duc Trong, Dinh Ngoc Thanh, Nguyen Nhu Lan & **Pham Hoang Uyen**. **Calibration of the purely T-dependent Black-Scholes implied volatility**, *Applicable Analysis: An International Journal*, DOI: 10.1080/00036811.2013.800974, 2013.

OTHER ACTIVITIES

Conference at ChiangMai University, Thailand: TES2013

01/2013
